

To: All Area High School Guidance Counselors,

The Greater KC Metro Crime Stoppers TIPS Hotline and the Metropolitan Police Chiefs and Sheriffs Association are sponsoring a scholarship essay contest for area high school students. The winners, one from Missouri and one from Kansas, will each receive a \$2,000 scholarship. The winners will be awarded a certificate and upon determination of a college or vocational school to be attended by the student, a \$2,000 check will be sent to the school in the student's name to be applied toward his/her tuition or general account.

The high school student must be a senior of good character with no criminal background to be eligible. He/she must be recommended, in writing, by at least two faculty members. The recommendation must state the student's accomplishments, grade average, class standing, activities, and the reasons he/she deserves this award. This recommendation should be no longer than two typewritten pages.

Each student entered must submit a typed essay of 750 to 1,000 words on the topic below:

As you prepare for the next step after your High School graduation, think beyond your education and what tangible impacts YOU want to have on society.

What are three ways you can work together with Law Enforcement to make a positive impact on the communities we live in, work in, and go to school in and explain why or how each makes an impact.

These ideas can be philosophical in nature but must be realistically obtainable over time. In your answers detail how you hope these action items will affect you, those closest to you, and your community. We encourage you to draw on your experiences from recent years when formulating your response.

While content and clarity of thought are of primary importance, contestants should be aware that grammar and spelling and cited sources will be considered when scoring the essay. Contestants, as college-bound high school seniors, are encouraged to seek out editors for their papers as well as to proof their work. Do not include any visual aids, graphics, or other supporting documents.

This essay, along with the faculty advisors' recommendations, and the application form should be mailed or emailed in time to arrive at the Kansas City Metropolitan Crime Commission's office no later than February 28, 2025. Winners will be notified by March 31, 2025. No telephone, written, electronic or any other means of "campaigning" for contestants will be allowed by entrants, faculty sponsors or any other person. Immediate family members of any Kansas City Crime Commission staff or board members are not eligible.
