

WE'RE DOING POWERFUL WORK... BUT WE CAN'T DO IT ALONE.

Since 1949, the Kansas City Metropolitan Crime Commission has worked behind the scenes to support law enforcement efforts in the Kansas City metropolitan area. We are a non-profit organization that fights for the security of the entire greater Kansas City area on both sides of the state line by operating innovative programs that help us power a safer, better Kansas City community. Here are just a few of our program's recent successes:

Our Greater Kansas City Crime Stoppers program is credited with **saving the lives of 19 students from suicide attempts, and at least 1 mass school violence incident** in local schools through its Scholastic TIPS initiative. The Scholastic TIPS system is modeled after the TIPS Hotline and allows students to anonymously share information without fear of retribution. Students have utilized this resource (available in a free mobile app and QR Code) to save the lives of their classmates by submitting anonymous TIPS which facilitated emergency intervention in 19 suicide attempts.

MCSP connects adjudicated individuals with established partner worksites to fulfill their court-ordered service, thus providing meaningful opportunities that have a profound impact on our community. MCSP also conducts weekly clean-ups along the streets of targeted high-crime areas of the community.

SAFE has provided financial support to **44 families including 33 children of first responders who lost their lives in the line of duty**. Bills, household expenses, and holidays don't stop when you lose a loved one, but SAFE works to make things a little easier for families as they adjust to life after the loss.

Second Chance asks justice-impacted community members to "take a chance on change" and become self-sufficient. Those who do are glad they did, as 75% (since 2013) of them are now successfully employed, productive members of society. Our community benefits, too, as we are all safer and **saving over \$68 million taxpayer dollars every year** that Second Chance participants are not incarcerated.

None of this work would be possible without donor support. One of the biggest ways you can help us is by sponsoring an event. The Crime Commission and its programs host a variety of unique and exciting events throughout the year that we would love for you to be a part of. All donations to the Kansas City Metropolitan Crime Commission are fully tax-deductible, and we have something for everyone!

POWERING A SAFER COMMUNITY SINCE 1949

Over **11,580** dangerous criminals arrested, and over **25,662** felony cases cleared from anonymous TIPS.

Communities assisted by working with **104,147** clients to coordinate the performance of court-ordered community service.

Over **\$770,000** in financial support provided to **44** surviving families of first responders who lost their lives and **1** surviving first responder who suffered a catastrophic injury in the line of duty.

Countless crimes prevented by working with more than **210** justice-impacted individuals every year.

The Kansas City Metropolitan Crime Commission is a 501(c)(3) organization. All donations are fully tax-deductible. If you'd like to support the Crime Commission and its programs, please visit www.kc-crime.org/donate.

The Greater Kansas City Crime Stoppers TIPS Hotline combats crime directly by providing safe and anonymous outlets for the public to share information without the threat of retaliation.

REMAIN ANONYMOUS. RECEIVE CASH REWARDS.

- 171,958 anonymous TIPS received
- 25,697 felony cases cleared
- 679 homicides solved
- 11,597 felony arrests made
- \$1,734,780 in cash rewards paid
- 599 of KC's Most Wanted caught
- 3,986 fugitives captured
- 19 teen suicides prevented
- 1 mass school violence incident prevented

Crime Stoppers continues to see an increase in homicide TIPS as a result of increasing the reward to \$25,000 in KCMO, which has led to the solving of 24 total homicides since 2019. In the calendar year so far 2024, Crime Stoppers has taken over 1373 TIPS resulting in 18 arrests, 36 cleared cases, and \$37,350 in anonymous cash rewards approved.

Metropolitan Community Service Program

For over 25 years, MCSP has worked to transform the destructive effects of crime into constructive community aid by allowing offenders to repay their community through service rather than costly incarceration.

- 2.85 million hours of community service completed
- 104,147 clients served
- 9.6 million lbs. of litter collected
- \$57.4 million in cost-free labor provided
- 20+ community worksite partnerships

In the the first 5 months of 2024, MCSP received a total of 393 new referrals and 126 reinstated referrals. MCSP clients have completed 10,207 hours of supervised community service resulting in approximately \$204,140 in cost-free labor this year.

STATISTICS ARE CURRENT AS OF JUNE 2024

Surviving Spouse And Family Endowment Fund

SAFE provides immediate financial support to the families of local police officers, firefighters, and emergency service personnel killed in the line of duty.

- 44 families of fallen first responders served
- Over \$770,000 in immediate financial support provided
- \$80,000 in scholarships awarded to children of first responders
- 44 families / 33 children receiving continued support

SAFE currently covers 12 counties in and around the Kansas City Metro area and is working to expand. In 2019, SAFE provided support for the first time to a surviving officer with catastrophic injuries. SAFE is currently updating the informational videos and printed materials as a part of our educational campaign.

UPDATED: JUNE 2024

Second Chance interrupts the cycle of crime by helping citizens returning from incarceration transform into self-sufficient, productive members of our community. Self-sufficiency and employment significantly reduce the risk of re-offending, and Second Chance helps participants overcome common barriers in order to make lasting changes for good.

- Countless crimes prevented through risk reduction services
- 16,959 returning citizens served in some capacity
- Second Chance participant recidivism rate is less than 5% compared to the state recidivism rate of 43.9%
- Less than 95% of participants did not receive another conviction
- In 2023, 78.4% of participants successfully employed
- Over \$68 million in taxpayer dollars saved every year
